

## **Article VI - PRO SHOP CREDITS / BOOK MONEY**

The Men's Club will host recreational tournaments which focus on good natured competition that build camaraderie among members. These tournaments may have modest payouts that conform to the USGA rules governing amateurism and prize limits (USAGA rule 3-2 (a)). All payouts will be awarded in Pro Shop credit that is locally referred to as "book money". Current Members of the Men's Club are allowed to accrue book money and use these proceeds on golf course merchandise, green fees and/or benefits that are mutually agreed on by the Men's Club and Allenmore Golf Course. Members who are determined to be Lapsed Members will forfeit all accrued book money. Exceptions to any forfeiture may be granted by the Men's Club Executive Board upon appeal by the member within 90 days of being considered Lapsed. Appeals of forfeited payout monies will not be considered once the proceeds are forfeited and liquidated.
