FORMAT (Playing Prevailing Golf Course Rules from the WHITE Tees)

- * Modified scramble format (Each team receives 20% of their combined June 17th handicap).
- * Each team member will tee off on every hole in any order. AFTER the tee shots, a player (other than one of the team members) will roll a single die, while still on the tee box.
- * If the roll of the die results in an ODD number, the first tee shot must be used. If the roll of the die results in an EVEN number, the second tee shot must be used as the team ball.
- * Both players will play their second shot from that location. The next best shot is selected and players will continue to play in a normal scramble format for the remainder of the hole. Balls should be placed within one club length tee to green & one putter head length on the greens (no closer to the hole).
- * Players should be cautious, once a putt is holed, that score must be recorded!
- * **Record only ONE score per hole. Complete your scorecard per the sample card shown below.**
